Savlatxon Eshonov | Full Stack Developer

ABOUT ME

I am certified as a Full-stack Developer by the 'Najot Ta'lim' educational center, showcasing my expertise in software development. Throughout my training, I deepened my knowledge in front-end (HTML, CSS, JavaScript), back-end (Node.js, Express.js, Nest.js), databases (SQL, PostgreSQL , MongoDB), and frameworks/libraries like Vue.js. Practical project work honed my skills, enabling me to apply modern development methods effectively.
